

Kirkwood Toward Zero

Supplemental Planning Activities

The City of Kirkwood is a walkable, bikeable community, where pedestrian safety takes priority.

Southeast Kirkwood Connectivity Study

The Southeast Kirkwood Connectivity Study will determine an off-street, multi-use trail to safely connect pedestrians and cyclists from Southeast Kirkwood to Nipher Middle School and Downtown Kirkwood.

PUBLIC
OPEN
HOUSE
MEETING

TUESDAY
19
NOV

Please attend the meeting to learn about the project, get involved, and/or voice your thoughts.

6:00 to 8:00 pm
Meacham Park Neighborhood
Improvement Association
1001 S. Kirkwood Road, Suite 330

We want to better understand resident satisfaction regarding transportation for all roadway users - motor vehicles, pedestrians, bikers, and others, in the City of Kirkwood.

For more information and the surveys, please visit:
www.kirkwoodmo.org/government/streets-are-for-everyone

Kirkwood Toward Zero

Supplemental Planning Activities

The City of Kirkwood is a walkable, bikeable community, where pedestrian safety takes priority.

Safe Routes to School Plan

The Safe Routes to School Plan will identify best routes and programming support to increase the number of students who are able to travel to school safely without a car.

PUBLIC
OPEN
HOUSE
MEETING

TUESDAY
3
DEC

Please attend the meeting to learn about the project, get involved, and/or voice your thoughts.
